

Freight Policy Exception: Western Canada

This document is an exception to the Sealed Air Protective North American Freight Policy for Canadian customers receiving product from Sealed Air's Renton, WA locations.

Sealed Air will allow the products below to be combined on a single order to meet Prepaid Freight (F.O.B. Destination) provided the following conditions are met in full at the time of order entry.

1. Product ships from Renton, Washington to a location in British Columbia or Alberta provinces.
2. The product is in stock at the shipping plant.
3. Order meets full truckload OR \$5,000 minimum threshold.
4. Order ships to a single location on a single shipment (does not exceed a full truck)
5. Minimum order quantities for each product in the order are met
6. Longest lead time item, within a group of products combined to meet a prepaid freight threshold, will determine the final delivery date for the entire shipment.
