

Freight Policy exception: Pool Truck Service

Sealed Air offers a pool truck (milk-run) service out of a limited number of locations around the network. To qualify for the pool truck service a customer must meet the following conditions:

1. Receives product from an eligible plant (see below)
2. Customer is ordering products that are eligible for the pool truck service (see below)
3. The product is in stock at the ship to location
4. Ship to location has been pre-approved for the pool truck service
5. Order meets the minimum order thresholds stated in the table below
6. Minimum order quantities must be met for each item on the order

Pool Truck Eligible Plants:

Plant	Plant Name	Plant State	Delivery Area	Truck Departure Day(s) ¹				
				Mon	Tue	Wed	Thurs	Fri
1144	City of Industry	California	Los Angeles Area	x	x	x	x	X
			San Diego Area		x		x	
			Phoenix Area		x	x		x
			Las Vegas Area				x	
1122	Madera	California	Northern California	x	x	x	x	x
			Reno Area (NV)	x		x		
			Salt Lake City Area (UT)			x		
			Phoenix Area (AZ) ²		x			x
			San Diego Area (CA) ²		x			x
			Seattle Area (WA) ²		x			x
1192	Renton	Washington	Seattle Area (WA)	x	x	x	x	x
			Portland Area (OR)		x		x	
1183	Louisville	Kentucky	Quebec Area ²		x			
			Toronto Area ²			x		
1125	Holyoke	Massachusetts	Northeast (RI, CT, NH, MA)			x		

¹ Product will ship on the next available truck after the production lead time for the entire order. For example, an order with a 5-day lead time shipping from City of Industry to LA area entered on Wednesday, will ship on the following Wednesday.

² These pool truck lanes are for Specialty Foam products only

Pool Truck Eligible Product Types:

Items excluded from this list are not eligible for pool truck shipments and will be subject to freight charges if not in compliance with the prepaid freight policy.
